SYNTHETIC TURF

CATALOGUE

Bring natural beauty to your space

Tile&Turf's high-performance artificial grass, such as 20 NRT, 25 MARS, 40 URANUS, and 50 EARTH, offers a lifelike, multi-directional surface that mirrors the lush look and feel of real grass. With soft, sun-touched blades and a full, dense texture, our turf brings effortless elegance to gardens, residential lawns, and pet-friendly zones. Engineered for all-season durability and minimal upkeep, it's the perfect blend of realism and resilience.

Ideal for both homes and commercial landscapes.
